Troy University

Champ Camp | Fall Workshop

LEARN | LEAD | SUCCEED

At this workshop, students will gain insight into what it takes to win the DECA Glass at SCDC and qualify for the International Career Development Conference (ICDC). Participants can choose between two tracks: one focused on role play events with exam preparation, and the other on prepared presentation events with training in written projects and presentation skills. By attending, you'll LAUNCH a plan filled with successful strategies to ensure your success at the Alabama DECA Career Development Conference in February. Don't miss the opportunity to network, develop leadership strategies, and engage in collaborative activities that will enhance your DECA experience and propel you towards achieving your goals.

Test Tips

Gain insight on what to study, where to study it, and how to remember it for when you take your test!

21st Century Skills in Competition

21st Century Skills make up 30% of your score for role-plays! Learn the skills judges are looking for to demonstrate high levels of communication, collaboration, creativity, and critical thinking.

Rock the Role-play

From using your prep time well, reviewing performance indicators, having a winning first impression, and make it WOW for the judges, learn what it will take to ace your role-play!

Advisor Session

Gain resources for reinforcing competition with your chapter and in your classroom in a breakout session for advisors!

Become a Prepared Event Pro

Learn key strategies to crafting an excellent written report and how to powerfully present your work to judges in a memorable way.

Written Project

Don't be intimidated by these events. Learn how to tackle the written project easily and effectively with tips on timeline, content, layout, & design. See "glass" winning samples.

Presentation Skills

Get inside information on what the judges are looking for in an award-winning presentation. Includes advice on visual props and deliverables, speaking skills, and ways to impress the judges.
